The Crossing Church

## Washington State Regional Conference Port Angeles, WA September 27-28

The conference was Friday night and Saturday morning from 9AM till 1PM. I presented 6 messages on 6 of the most misunderstood words in the Bible: election (Friday night), saved, faith, repentance, gospel, and grace.

Quite a few GES partners were able to come including Frank and Babbette Tyler (back left), Bob and Judy Kenagy (front, center), Ken Hedstrom (front, right), and Hank Hildebrandt (middle), a missionary in British Columbia with his wife Barbara who was not able to attend.

## The Crossing Church Sequim & Port Angeles, WA September 29

My sermon was on heaven. I explained about the first, second, and third heavens, and about the new heaven and the new earth. It was a very encouraging time of interaction.

My thanks to Pastor Glen Douglas for having me and for Frank and Babbette Tyler for putting us up and also transporting to and from the airport (2.5 hours each way). We had many outstanding hours of discussion of Free Grace issues.

The Congregation at Victor Street

## Victor Street Bible Chapel Dallas, Texas September 8

I spoke on the move of Israel and his family to Egypt, Genesis 46:1-47:31. The Lord sent the small band there to become a great nation and then to return to the Promised Land. Of course the Messiah also went to Egypt as a child and then returned to the Promised Land.

God's hand was constantly upon the nation of Israel, His chosen people.

The 2013 Conference - what a blessing!

## Register Early for the Grace Conference 2014 April 21-24

Once again we will be meeting at the excellent conference facilities of Southwestern Baptist Theological Seminary in Fort Worth. This year the conference theme will be Paul's epistle to the Romans. We are making greater efforts to reach out to the wider conservative

Evangelical community, especially to churches who might already believe in, or be open to, the Free Grace message. Please pray that our outreach efforts will be successful, and be sure to invite members of your church to attend. We all need encouragement, and the conference is a great source for that!

Make sure to register early for a discount on conference fees. Prices will go up in January.

It would also be a good idea to reserve your room at the conference center now since they fill up fast.

## Prayer Requests

Please pray that we get the Autumn journal to the printer by the end of October, that we line up excellent speakers for our 2014 conference, and for Shawn and Bob's speaking engagements in October-December.

Also, please pray for our finances. The months of July through September are typically slow for GES and for all ministries. As you can see, we have fallen slightly behind budget. We are thankful for your partnership in this ministry via your gifts and prayers.
