

PARTNERS IN GRACE

JULY 2023

Ken and Kathryn's Ministries

Ken and Kathryn had the opportunity to visit Tampa, Florida, on June 24-25th. They were hosted by Janet Rockey for dinner on Saturday evening. Then Ken spoke twice at Bayside Community Church on Sunday, a long-time friend of GES. Ken taught on repentance from the parables of the lost sheep and coin in Luke 15. He also did a session on the Syro-Phoenician woman in Mark 7 and what it means to have great faith. Both messages were well received.

They also enjoyed some sweet fellowship over lunch, hosted by Lou and Doyle Young after the service, along with fellow Floridians Micaela and Michelle Manley, who drove in to hear Ken speak at Bayside. Ken and Kath-

ryn discussed some of their overseas work and many theological topics. A special thank you to Bayside for the warm hospitality and yummy food!

Ken is also in preparation for his upcoming Greek class starting in August. He and Tony Badger will be co-teaching first-year Greek. Others will be teaching courses on soteriology (Bob Wilkin), introduction to pastoral ministry (Steve Elkin), Old Testament Survey (Philippe Sterling), Theology Proper, Christology, Pneumatology (Steve Elkins), and Bible Study Using Logos Bible Software (Bill Fiess). If you or someone you know is interested, please email gesclass@yahoo.com.

COPPELL (TX) BIBLE FELLOWSHIP

Bob started a six-week series on 1 John on June 11th. Attendance has been great, with twenty or more live and another five or six attending via Zoom. We have people from Europe (Spain and Germany), Mexico, Canada, and Melbourne, Australia (where the class starts Monday morning at 12:00 AM).

Week one was an introduction to 1 John. In weeks two and three we covered 1 John 1 and 1 John 2. It is a super time of interaction. We use the commentary by Zane Hodges as our resource.

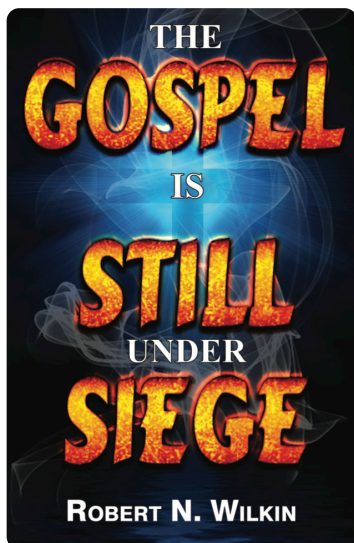

YouTube Mini-Videos Increasing Impact

Kudos to Mike Lii for all the work he does editing these videos. During June, he ran two of our 2023 conference messages each week. They have been much viewed.

We just went over 8,000 subscribers. In fact, today (June 28), we are at 8.02k. While numbers are not proof that we are doing well, they indicate that we are getting the message out to many people.
